Congress In the Senate, yesterday, Mr. Stuart, from BALTIMORE, March 4.—Flour is quiet but, firm; Washington, the examination of character the Committee on Public Lands reported adversely on the bill amendatory of the act of March 3, 1855, entitled "An act granting bounty lands to certain officers and soldiers who have been engaged in the military service of the United States;" which was re-

The consideration of the Kansas question was then resumed.

In the House of Representatives, Mr. Hoard proposed to modify his resolution, asking for a committee of inquiry to be appointed to report whether the President of the United States has endeavored to influence the votes of members of this House on the Kansas question, by the dispensation of executive

His proposed medification was to insert in the preamble the words "and whereas common fame states that the President has endeavored to use executive pratronage to influence the votes of members of this House." A lengthy discussion ensued.

### The Kansas Committee.

We learn that the investigation committee appointed under the resolutions of Mr. Harris, directing an inquiry into the circumstances attending the framing and submission to Congress of the Lecompton Constitution, held a meeting last evening. A statement from Gen. Calhoun was read, but the committee refused to receive it as an official

Mr. Stephens, of Georgia, submitted a report favorable to the Lecompton Constitu ion, in which it is contended that it was the result of legal action, and that a fair opporunity was given to all to express their opinone through the ballot-box, not only in relation to the appointment of delegates to the Convention, but also on the acceptance of the Constitution. Their having refused to avail themselves of this privilege does not entitle them to complain now, but should be an estoppel on any influence their complaints might have.

There will probably be a minority report submitted by the committee, the above having it is said, been agreed to by the majoritv - Wash, Star.
